Hi Derek,

Please let me know what time is good for you to meet on Skype for the overview presentation you mentioned today.

Regarding working hours - I started @ 9 AM today, hence signed off ~ 7 PM; unless you need me to be on close to the hours you work, I'll be working within such hours (unless we an online meeting and/or Radek is not available and/or I cannot start in the morning). Please let me know if this is OK with you.

Also, the agreement docs should be in the States sometime tonight; I'm not sure how they're dispatched once they arrive in the US, but you can track via USPS online:

Thank you,
